

Climate Ready Classroom Award

Does your school have a Climate Ready Classroom?

If you are working towards your Eco-School Green Flag or simply looking for ways to improve knowledge, awareness and action with both staff and students, becoming a Climate Ready Classroom is a great way to start the process. To reach Climate Ready Classroom status both teacher and students must have completed one of our free climate awareness training sessions.

Benefits include:

- ✓ Listing and recognition as a Climate Ready Classroom on the Live Here Love Here's website.
- ✓ Receiving a Climate Ready Classroom Award at the annual Eco-Schools Awards event to recognise your achievements.
- ✓ Supporting the process to become a Green Flag Ambassador School.
- ✓ All resources are FREE - fully funded by DAERA's Carrier Bag Levy

- Designed for KS3 upwards & adults with additional learning needs
- Can be used in mainstream classroom with high SEN profile
- Fully resourced
- Flexible format for delivery appropriate to different needs
- Certification for all attendees

Claiming your Climate Ready Classroom Award

Once you have completed both the Teacher and Pupil elements of the CRC Award, the final requirement for certification is to create a short video (30-90 seconds) from a senior leader sharing the significance of the learning involved. Full details on completing this final element of your award application are available from scott.howes@livehere lovehere.org
